Gallery of Wood Art

Accessibility Guide

Welcome! We are committed to providing a quality experience for all of our guests. This booklet provides information about a range of accommodations.

Please call us at 651-484-9094 or e-mail gallery@woodturner.org if you have further questions, comments or suggestions, or would like to schedule a blind/low vision touch tour.

Building Accessibility

The AAW Gallery of Wood Art is located in Landmark Center. The gallery and building are wheelchair accessible.

Entrance

The wheelchair entrance is located on the Market Street side of the building. An elevator goes up to the first floor, bypassing the steps. The main elevators are directly across the hallway as you exit the elevator.

Important: Market Street is occasionally closed for special events, so please call ahead. If you have any questions or concerns, contact Landmark Center at 651-292-3233.

Service Animals

Service animals are welcome in the building and

in the AAW Gallery of Wood Art.

Restrooms

Wheelchair accessible restrooms are located on the second floor, to the left as you exit the elevator. Additional accessible bathrooms are on the lower level and third floor.

Visiting the Gallery

We are on the second floor. Turn right as you exit the main elevators. The AAW Gallery of Wood Art will be the first door on the left.

Parking

Parking is free for a maximum of four hours at all 1, 2, and 4-hour meters if you display a valid disability parking tag or license plate. Thirty-minute zones are limited to 30 minutes regardless of parking permit.

Requests for Accommodation

Please request special tour accommodations or custom tours at least two weeks in advance by calling the gallery at 651-484-9094 or e-mailing us at gallery@woodturner.org

Large Print

Large print copies of our schedule and this brochure are available on request. We are happy to provide assistance with reading labels and interpretive signs. Large print exhibit labels and texts are available for selected exhibitions.

Touch Tours

Blind or low-vision visitors may request an individually guided 'touch tour' of the exhibits. Your guide will assist you in handling a selection of artworks, artifacts and machines. Hands must be freshly washed and dried before touching artwork.

Display Height

If the artwork on display is too high to see, let the desk staff know. In most cases we can move the piece so that you can view it more easily.

Wheelchair accessibility

The gallery and exhibits are all on one level, and exhibit aisles accommodate standard wheelchairs.

ASL Interpreters

We do not provide interpreters at this time.

We hope this guide has been helpful. If you have

questions or suggestions, or would like to schedule a tour, please call us at 651-484-9094 or email gallery@woodturner.org.
